EDUCATION

NORTH METROPOLITAN TAFE

Certificate IV in Information Technology (Web Development)
2025 (in progress)

SHE CODES PLUS PROGRAM

Coding bootcamp focused on web development and programming fundamentals - Completed 2025

UNIVERSITY OF MELBOURNE

Master of Music Therapy
2020-2021

ABOUT ME

Junior Developer currently completing a Certificate IV in Web Development and a graduate of the She Codes Plus Program. Experience building frontend and full-stack web applications using HTML, CSS, JavaScript, React, and Django/DRF. Strong foundation in REST APIs, responsive design, and clean, maintainable code. Brings proven problem-solving, communication, and documentation skills from a professional background in health and education.

TECHNICAL SKILLS

- **Languages:** HTML, CSS, JavaScript, Python
- **Frameworks & Libraries:** React, Django, Django REST Framework
- **APIs**: RESTful API design & consumption
- **Tools & Platforms:** Git, GitHub, Heroku, Netlify
- **Concepts:** Responsive design, basic SQL and relational database concepts, component-based UI, clean & documented code

CODING PROJECTS

FULL STACK GROUP PROJECT- SHE CODES PLUS PROGRAM (4 WEEK SPRINT)

- Collaborated in a small development team to design and build a full-stack web application over a 4-week delivery timeline
- Acted as Project Manager, coordinating tasks, timelines, and team communication across the 4-week sprint
- Designed and implemented RESTful APIs using Django and Django REST Framework to support frontend features
- Fixed frontend bugs and contributed JavaScript/React improvements to support core user flows
- Successfully delivered a working full-stack application within a 4-week sprint

FULL STACK 'CROWDFUNDING' WEBSITE - SHE CODES PLUS PROGRAM

- Developed a full-stack web application using Django, Django REST Framework, React, and JavaScript
- Built and consumed REST APIs to support frontend functionality
- Implemented structured, readable, and maintainable code
- Collaborated within a bootcamp environment using version control and peer feedback

PORTFOLIO WEBSITE - SHE CODES PLUS PROGRAM

- Designed and developed a responsive personal portfolio using HTML and CSS
- Deployed via GitHub Pages to showcase projects and technical skills

PERSONAL PROJECT WEBSITE - TAFE COURSE

- Created a personal project website as part of a TAFE assignment
- Focused on clean layout, semantic HTML, and responsive styling using HTML and CSS

PROFESSIONAL SKILLS

- Problem-solving and debugging
- Clear written and verbal communication
- Detail-oriented development
- Time management and independent work in remote settings

PROFESSIONAL EXPERIENCE

REGISTERED MUSIC THERAPIST - SELF-EMPLOYED

Thrive Music Therapy | 2022-Present

- Operated a client-facing practice requiring strong problem analysis, documentation, and independent work
- Worked across multiple digital systems for scheduling, record-keeping, communication, and workflow management
- Collaborated with multidisciplinary teams across health and education environments

MUSIC EDUCATOR AND PERFORMER
Various Roles | 2015-Present

- Delivered structured lessons and programs requiring clear communication and adaptability
- Worked independently and collaboratively across schools, studios, and performance settings

KEY ACHIEVEMENTS

- Awarded a full scholarship to the She Codes Plus Program
- Accepted into Certificate IV in Information Technology (Web Development)
- Registered Music Therapist (Australian Music Therapy Association)
